

Morgan, the popular high street brand, is pleased to announce a fabulous new fragrance for Christmas:

Morgan Love Love de Toi

This light-hearted, youthful fragrance is a sweet symphony of fruity, floral and musky scents combined to create an alluring perfume for women. Using mouth-watering fresh top notes of pink peppercorn, raspberry and green apple; soft pastel blossom middle notes and base notes of musk and spicy morello cherry, this fragrance is both light and sensual.

In shades of pink, ranging from hot fuchsia to nearly pastel, the **Love Love de toi** bottle and box are as fresh and fashionable as the fragrance they contain. With its sparkling jewel and pink tattoo, the **Love Love de Toi** bottle is a perfect reflection of the feminine world of Morgan de Toi.

The fragrance is the ideal complement to the existing Morgan de Toi For Her fragrance range. Combine **Love Love de Toi** with the Morgan de Toi For Her body lotion, bath and shower gel, or deodorant spray for the ultimate seductive scent.

Love Love de toi will be available from September 2006 at retailers nationwide, for your nearest stockist phone 0870 850 3868.
