

## SPEAK UP...

... express yourself in words with a greetings cards from "AND THE WORD IS"

January 2008

Ever needed to say something to your nearest and dearest but found yourself **lost for words? Stuck for something to say? Speechless?** ... Far be it for us to put words in your mouth, but if you're shy about speaking up then let a cracking "AND THE WORD IS" greetings card (£2.40) do the talking for you.

Whether it's declaring your undying love, offering your congratulations or simply saying sorry, this fantastic collection of 12 cards for almost any occasion will tell your loved ones exactly what you want to when you just can't seem to find the right words!

This expressive assortment isn't just limited to greetings cards – we've voiced our opinion on duvet covers, bathroom accessories, ipod cases and wallets to name but a few. What's more, they're available via a convenient mail order service (020 7729 1032) so you can start speaking up for yourself without delay!
